

Confidence scores			Task Grading Score			Experience Level with Technology					
Value	Description	%		Value	Description		Value				
1	Not confident	0-19		1	Not Correct		Beginner				
2	Not very confident	20-39		2	On the right way		Intermediate				
3	Somewhat confident	40-59		3	On the right way & Somewhat correct		Advanced				
4	Confident	60-79		4	On the right way & Correct		Expert				
5	Very confident	80-100		5	Right way & correct						
NOTE: Giving the condifence score based on the video and what they have said after each task.											
AI Against not AI Task 1											
Time to solution	Confidence	Task (correct)	Help	Error	Technical Problem	AI error	Total Pondering	AI or Not	TimeStamp	Subject #
